

Wall lamp SATYA

The SATYA wall lamp is a universal design with a retro character. A brass arm and a socket with a thread for bulbs with an E27 base emphasize the artistic temperament of the room. The position of the luminaire can be adjusted by means of a movable head. Due to the lack of a lampshade, the light beam angle is wide, it will emphasize the uniqueness of decorative bulbs and will be perfect as lighting for a desk in a study or a kitchen countertop.
