Extension cord LOGAN White 5-WAY 5m switch

The white extension cord from EDO is a product intended for use in the household. The extension cord allows you to connect devices that are far from the power outlet. The product is equipped with a 5m power cord and has five E-type sockets- with a pin, Child Protection and grounding for safety. The extension cord should not be used in dirty and damp rooms. The version with a switch allows you to cut off the power to all sockets at the same time.
